Although Richard made no admission to any conduct, the conduct described in the agreement renders him unfit for duty and dangerous to the public, constitutes a pattern of unprofessional police conduct that mayescalate, demonstrates that he has repeated sustained internal affairs complaints, and that the Respondent was suspended multiple times by hisappointing agency for disciplinary reasons. |                                                                                                                                                                 |

| 2/15/2024           | 00006808             | Suspended                           | Romeos entered into a Voluntary Suspension Agreement under which he admitted that, on November 19, 2022, he was involved in an off-duty single-vehicle accident in Wakefield, New Hampshire, when he was the sole occupant of his vehicle. While driving, his vehicle left the road, striking a large rock and multiple trees before coming to a stop. As a result of the accident, Wakefield police officers responded to the area. When police officers asked for his identification, Romeos initially provided his Essex Police Department credentials. Additionally, when asked, Romeos inaccurately stated that his relative had been driving and had left the scene before police arrived. Romeos was taken to the hospital, where blood testing revealed that his blood alcohol content was nearly three times the legal limit. Romeos was subsequently found guilty of Reckless Operation of a Vehicle and False Reporting of an Accident, in violation of New Hampshire law. His certification was suspended for a period of 18 months. |                                                                                                                                              |

The Commission concluded that there was not clear and convincing evidence of a pattern of unprofessional police conduct, and also found that Rossi would not benefit from retraining. The Commission therefore closed this matter without imposing any discipline. |                                                                                                                               |

At the time of the accidents, Sanchez was under the Last Chance Agreement with her employer, and was required to abstain from consuming alcohol, among other requirements. The Commission found Sanchez is not fit for duty as an officer and is dangerous to the public, that she has a pattern of unprofessional police conduct, that she has been suspended by her appointing agency, and that she has repeated sustained internal affairs complaints. |                                                        |  |
